

Building A Foundation For A Better Tomorrow

We Need Your **Help**

Please join us on our journey to secure a **permanent home** for SCEP CENTRE as we **support** some of Regina and area's **youngest** and most **vulnerable** citizens.

Our Campaign

We are launching a **\$1 Million** capital campaign. Realizing this target will mean a **sustainable permanent home for SCEP CENTRE.**

- **Phase 1:** To secure and provide suitable temporary housing for the program.
- **Phase 2:** To realize a sustainable, permanent home for SCEP.

Who We Are

SCEP CENTRE is a nonprofit children's charity that has been serving the Regina community for over 50 years, **helping vulnerable young children** and their **families** develop their **full potential** in a **safe** and **supportive** environment.

Providing therapeutic early intervention, SCEP gives children structured, educational experiences that are developmentally appropriate, culturally sensitive, and trauma informed. This is often a child's first successful experience in a structured educational setting.

Our **Services**

- ✓ Daily Therapeutic Group Sessions
- ✓ Guidance and Support for Enrolled Families
- ✓ Coming Together Growing Together (with Eagle Heart Centre)
- ✓ Consultation and Training for Childcare Centres
- ✓ Education and Training for the Community
- ✓ Specialized Assistance for Foster Care Placements and Adoptions
- ✓ Summer Friends Program for Enrolled Children

Program **Outcomes**

85% noticed improvements in communication, socialization, and emotional maturity.

94% felt better equipped to parent their child effectively.

100% reported having more positive relationships after SCEP.

Our **Journey**

SCEP CENTRE needs a **permanent, accessible, safe, and welcoming** home to meet our children's differing and often complex needs.

A space where children can **flourish**

Welcoming

Inclusive

Indoor

Outdoor

Our **Impact**

The more education and support a child and family has, the more likely it is that they will have a **happy, healthy and safe** life.

20-25 Families/Year

Providing direct therapeutic support, including speech therapy & music therapy.

Trauma - Responsive

Providing non-judgemental support to start the children (and families) on the path to healing.

Reduce Barriers to Needed Support

Help families access assessments, food security resources, specialists, etc.

Assist with Future Transitions

To their next classroom program with careful planning and sharing helpful strategies.

Success Stories

From SCEP Families

"It's a great program. It helped me as a parent **find my own path** with my child. They have my back and I feel like **I'm not alone**. I know I can call them with any problem or situation and they will help me and give me **solutions**"

"I would **highly recommend** SCEP to other families with kids with different needs. The staff was **prepared** and **proactive**... I wish there was more funding so more kids could attend the program."

"I am so grateful for SCEP. My son has **benefited** from it and I **don't know where we would be without the program**. I wish they could have a bigger centre and have **more spots** for kids."
